

GO XTREME[®]
ACTION CAMS

RIDE THE ELEMENTS

GOXTREME® ACTION CAMS

Your action – your cam. With an extensive range of action cameras for everyone from the novice to the professional, GoXtreme® has something to offer for every requirement and budget.

Nearly 20 years of expertise in the digital camera market and a sensible knowledge of customers' expectations for quality and value make GoXtreme® your no.1 choice when it comes to action cams: high resolution 4K cams, leisure action cams with Full HD resolution, models featuring live streaming, smartphone WiFi connection, remote control, waterproof housings up to 60m, functions such as time lapse, slow motion and accessories included right out of the box and a wide range of additional brackets and mounts.

You decide which model suits you best. Whether it's casual or professional, the choice is yours.

Your action – your cam.

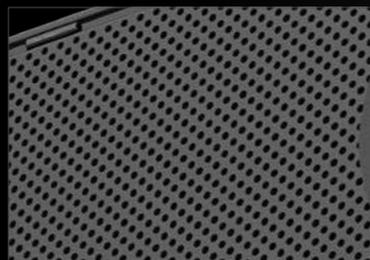

ULTIMATE PERFORMANCE

GoXtreme® Action Cams are designed to offer optimum performance.

Whether it's true 4K video, pin sharp lifelike images or stereo audio recording, we place great value on using the best components the industry has to offer.

- Wide range in individual segments: from HD to 4K
- Newest features at the best price-performance ratio
- Proven quality and reliability

- Smartphone WiFi connection at the touch of a button
- Live view, remote control functions and network sharing by using the free camera app
